National Association of Personnel Services Awards the Robert P Style Firm Accreditation to Staff Masters, Inc.

(Atlanta, GA – 2009) – The National Association of Personnel Services (NAPS), the association with the longest and most comprehensive history of professional credentialing in the staffing industry, announces the selection of the Robert P Style Firm Accreditation Program to Staff Masters, Inc. for a second Year.

Ted Angelus, CPC, the Credentialing Chairman: "The NAPS Accredited Firm designation is reserved for those recruiting and staffing firms who agree to be bound by the NAPS Code of Ethics and who demonstrate their commitment to, Certification, Education, the Profession, Free Enterprise System and to Community."

As of this date, the following company has been accepted for this prestigious accreditation:

Staff Masters, Inc.

A business needs the right staffing solutions to flourish in a competitive market. For almost 25 years of business, Staff Masters, Inc. has been the right staffing partner for clients and employees in the light industrial and services industries. As a true staffing partner, we listen to your needs and deliver results in real time.

At Staff Masters, we know that the most successful staffing solution will be the one that fits. We fulfill this promise with a team who listens to your needs first, and then forms a strategic solution that complements your business

"We congratulate Staff Masters Inc. on this accomplishment. The renewal of this accreditation is a level of commitment and recognition as an industry standard," added Conrad Taylor, CPC/CTS/CERS and President of the NAPS.

An overview of the NAPS firm accreditation initiative, including a more detailed description of the criteria, application form and fees, can be found in the Education and Certification Area of www.recruitinglife.com. Click on the Robert P. Style Firm Accreditation Program link.
